December 7, 1993

On October 18 and November 15, 1993 at its regular monthly meetings, the Zoning Commission for District of Columbia authorized a public hearing for the following:

CASE NO. 93-11

The purpose of the FTOD is to allow the existing industrial businesses to remain and expand and to propose land use control policies to further implement the Comprehensive Plan for the National Capital as amended.

It is therefore hereby ordered that Z.C. Case No. 93-11 be authorized for public hearing. A formal "Notice of Public Hearing" is forthcoming.
